Since becoming a mother, I have turned my focus and desire from Construction of Buildings to Nurturing the Heart and Mind of Humanity. Through this journey, I engage extensively in the arenas of Self-Directed Education, Mindfulness and Nonviolent Communication.

My passion is engaging with young people and showing up with an open, whole-hearted, curious and non-judgmental presence.

Mindfulness

2007 Anderson-Wise Retreat @ Bodega Bay
2008 Jon Kabat-Zinn Retreat @ Menla
2015+ Mindfulness Practice Community of Houston
2017+ Teaching Mindfulness to 7-11 year old Children
